### Top Phaco Saves

Ben LaHood, MD, MBChB(dist), PGDipOphth(dist), FRANZCO, who served as a member of the judges' panel for CRST's Phaco Saves video contest, joins grand prize winner Ahmed Assaf, MD, PhD, FRCS(Ed), and runner-up Steven G. Safran, MD, to discuss the cases featured in their videos and how they stay calm during challenging situations in the OR.

### LOW-LEVEL LIGHT THERAPIES

### ON THE SURFACE A Literature Review

Laura M. Periman, MD, and Darrell E. White, MD

In 2022's first episode of On the Surface, Drs. Periman and White summarize the latest literature on low-level light therapies, discuss treatment combinations, and highlight the intervention's excellent efficacy in pediatric patients.

### PHACOEMULSIFICATION AND IRIS HOOKS IN A MATURE CATARACT WITH IRIS COLOBOMA

V.R. Vivekanandan, MD, and Rengaraj Venkatesh, MD

Drs. Vivekanandan and Venkatesh demonstrate phacoemulsification on an eye with a mature cataract and iris coloboma and provide tips on how to engage and remove iris hooks safely and easily.
